RE: Terkeltaub v. United States of America
Civil Action No. CV-20-3938

Dear Magistrate Judge Scanlon:

Pursuant to Your Honor's January 07, 2021 discovery scheduling order, the parties are submitting this Joint Status Report.

Discovery is progressing without any disputes. Defendant has produced 2041 pages of plaintiff's medical records from Mt. Sinai Medical Center (Beth Israel Campus). Plaintiffs have produced authorizations for medical and other records from 12 providers. Defendant has served subpoenas for these records. Defendant has served interrogatories and plaintiffs have responded. Plaintiffs have also produced additional medical records in their possession.

The parties are in the process of scheduling depositions of plaintiffs and various medical providers.

Plaintiffs' deposition was scheduled for today, May 27, 2021, however, because of a personal emergency of the plaintiffs, the depositions were adjourned. The parties will be scheduling the plaintiffs' depositions for the end of June 2021. Thereafter, the defendants' deposition and other medical witnesses will be scheduled.
